4. How to Apply for the Utah Pollinator Habitat Program

The Utah Pollinator Habitat Program grant has **CLOSED** for the **2026 season** and is not accepting late applications. Please follow our social media pages for updates and information and watch for updates on next years' application period which will open on **March 1, 2027.**

Frequently Asked Questions

Who can I contact if I have questions?

Questions can be directed to **Liz Hamilton** at lizhamilton@utah.gov You can also send questions to the program email: **UDAF-pollinatorhabitat@utah.gov**

Can I request specific plant species in my kit?

Not at this time. All plant kits will be pre-selected based on your specific habitat needs and location.

What if I only want seeds to enhance my habitat?

Regionally specific seed packets are compiled on a case-by-case basis for promotional distribution and project-specific needs to those fitting program criteria, based on seed availability. For more information, contact us via email. **Details on specific mixes and plant species.**

When will habitat kits be available?

Habitat kits will be **ready** by **late September** to **early October**.

How do I get my kit?

Recipients will be responsible for picking up their awarded kits on specified dates and times. Upon notification that you have been awarded kits, you will be notified of the days scheduled for pickup near your local distribution center. In the event you cannot make the time and date, you are responsible for contacting the project lead to coordinate an alternate day.

Can my kit be delivered?

Not at this time. All habitat kits must be picked up on specified dates and times at the locations listed.

Can I directly purchase a kit without applying through this program?

Not at this time, although we are working with local nurseries to make this option available at a future date. Check back for updates.

Is there assistance available for creating and maintaining my habitat?

We have made this **planting guide,** and **maintenance guide,** available to assist you in installing your habitat kits and seeds. Feel free to reach out to project leads with questions or concerns and for updates on the availability of additional resources.

Where can I apply?

The **2026** Utah Pollinator Habitat Program Grant will be **open** **from March 1, 2026 to April 15, 2026. You can find the application here.**
